

Get the chance to hold a real human brain!

**Mesa County
LIBRARIES**

Dream it. Discover it. Do it.

OUR REMARKABLE BRAIN

Join Dr. Russell Copelan for an interactive look at the amazing power of the human brain. Learn to respect your brain, how to improve brain power, and the brain's role in anti-bullying and drug prevention. This program is recommended for ages 9 - 12.

4:15 p.m., Thursday, January 12
Central Library Children's Area

Limited to 25 - Registration Required. Call 970-243-4442 to sign up.
